

David Starr Racing, Inc.

Competitive. Determined. Passionate. David Starr has proven himself as one of the top racers in the United States. David's passion was sparked at a young age as he trailed on the heels of his father, a racing crew chief, to the track each week. Starting out at his local Houston dirt tracks, David climbed the ladder with championships and victories under his belt. He learned the skills and mechanics behind racing on pavement, vaulted to success, and entered the then named NASCAR Craftsman Truck Series in 1998.

After more than a decade of racing, David has racked up wins in the Truck Series and competed for championships. He has also had success in both the NASCAR Nationwide Series and the Sprint Cup Series. Over a 20 year racing career, David has always remembered his roots and is well known for appreciating those who have supported him.

David not only brings value to his sponsors on the track, but off the track as well. Through personal appearances, speaking engagements, charity events, safety seminars and personal autograph sessions, David helps to expand brand recognition as well as build and strengthen employee relations.
